Memberships/Endorsements

CDP

[Link](#)

Start date: 2003

NN Group is an investor signatory to CDP. This international organisation aims to transform the way the world does business to prevent climate change and protect our natural resources. The CDP encourages measurement and disclosure to improve the management of environmental risk. In doing so, it has incentivised thousands of companies to disclose their environmental performance. This information is made available to investors to help them mitigate risk, capitalise on opportunities and make investment decisions that drive action towards a more sustainable world.

Climate Action 100+

[Link](#)

Start date: 2021

NN Group is a supporter of this collaborative initiative between asset managers and asset owners, we engage with high-carbon emitters, influence disclosure and encourage positive behaviour in relation to climate risk management and energy transition strategies in line with TCFD.

Dutch Klimaatakkoord

[Link](#)

Start Date: 2019

NN Group has signed the commitment of the financial sector to the Dutch Climate Agreement. The Dutch government aims to reduce greenhouse gas emissions in line with the goals of the Paris Agreement. It concerns all sectors of the Dutch economy and society, and requires support from and collaboration with all stakeholders. With this commitment, the financial sector supports the energy transition and the offering of sustainable financial solutions. Furthermore, signatories should measure the carbon footprint of their relevant investments and explore measures – exclusion, engagement and/or the offering of sustainable products – to contribute to the transition towards a low-carbon economy.

VBDO

[Link](#)

Start date: 2015

NN Group is a member of the Dutch Association of Investors for Sustainable Development (VBDO). VBDO encourages financial institutions and listed companies to perform better in the area of sustainable investment and to make their own business operations more sustainable. It does this in a number of ways,

including through benchmarking and by running surveys. VBDO regularly organises seminars and conferences in order to share knowledge and strengthen networks in the area of sustainable investment and entrepreneurship. Engagement is an important tool in moving towards a more sustainable capital market, so every year, representatives from VBDO attend shareholders' meetings to ask questions about specific sustainability themes. Finally, VBDO offers solutions and shares lessons learned and best practices.

Energy Efficient Mortgages Initiative (EEMI) & Energy Efficient Market Label (EEML)

[Link](#)

NN Bank is a member of the EEMI and EEML. By joining the EEMI and EEML initiative, we can actively contribute to developing sustainable investments in energy efficient mortgage loans at Nationale Nederlanden Bank and our sustainable mortgage label Woonnu. The EEMI and EEML both aim to make the mortgage market and mortgage investments more sustainable. The EEMI is the direct point of contact for the European Commission and represents the European mortgage sector. The EEML shows consumers, financiers and investors in a transparent way that the loans granted by a financial institution contribute to making the built environment more sustainable.

Finance for Biodiversity Pledge

[Link](#)

Start date: 2022

In 2022, NN Group has signed the Finance for Biodiversity Pledge and became a member of the Finance for Biodiversity Foundation. Multiple financial institutions have signed the Pledge, which is a commitment to protect and restore biodiversity through finance activities and investments.

GRESB

[Link](#)

Start date: 2014

NN Group has been an investor member of GRESB. NN Group uses the annual Real Estate Assessment to evaluate and engage with its real estate investments with the aim of improving the sustainability performance of its portfolio. GRESB is a mission-driven and industry-led organisation that provides actionable and transparent environmental, social and governance (ESG) data to financial markets. They collect, validate, score and benchmark ESG data to provide business intelligence, engagement tools and regulatory reporting solutions for investors, asset managers and the wider industry.

Global Reporting Initiative (GRI)

[Link](#)

Start Date: 2019

The GRI enables organisations to be transparent and take responsibility for their impacts so that we can create a sustainable future. They provide disclosure standards for sustainability reporting and enable informed dialogue around the impacts.

ICSR covenant for the Dutch insurance sector

[Link](#)

Start Date: 2018

NN Group endorsed the International Corporate Social Responsibility (ICSR) covenant for the Dutch insurance sector. This covenant aims to ensure that insurers identify and mitigate any potential negative environmental, social and governance (ESG) impacts they face through their investments. The covenant's signatories (all Dutch insurers, the government, one trade union and six NGOs) pool their knowledge and experience, identify ESG risks, and initiate steps to mitigate those risks. Insurers are expected to have due diligence processes in place to address ESG risks and, where necessary, to develop, adjust and improve policies.

IIGCC

[Link](#)

Start date: 2017

NN Group is a member of the Institutional Investors Group on Climate Change (IIGCC). IIGCC is an investor network that collaborates on the topic of climate change. It has more than 350 members, which in aggregate represent more than EUR 51 trillion in assets under management. IIGCC's purpose is to provide a collaborative platform for investors to encourage public policies, investment practices, and corporate behaviour that address long-term risks and opportunities associated with climate change.

NN Group's Chief Investment Officer was elected to the board of the IIGCC in 2019. NN Group participates in the IIGCC Paris Aligned Investment Initiative (PAII).

The belief is that a financially healthy society contributes to the well-being of individuals, organizations, the economy and therefore our society.

Net-Zero Insurance Alliance (NZIA)

[Link](#)

Start Date: 2021

The UN-convened (UNEP FI) Net-Zero Insurance Alliance (NZIA) brings together insurers and reinsurers to play their part in accelerating the transition to net-zero emissions economies by setting science-based targets. They are committing to individually transition their underwriting portfolios to net-zero greenhouse gas (GHG) emissions by 2050, consistent with a maximum temperature rise of 1.5°C above pre-industrial levels by 2100.

Paris Agreement Pledge for Action

[Link](#)

Start date: 2015

NN Group has signed the Pledge for Action, demonstrating leadership, commitment and solidarity towards the agreement reached in Paris.

Paris Aligned Investment Initiative Net Zero Asset Owner Commitment (PAII)

[Link](#)

Start date: 2021

The PAII enables investors across the globe in supporting the

goal of net-zero GHG emissions by 2050 or sooner, in line with global efforts to limit warming to 1.5°C. By joining the PAII Net-Zero Asset Owner Commitment, NN Group acknowledges the importance of emission reductions in the real economy within the sectors and companies we invest in. We are committed to transitioning our proprietary investment portfolio to achieve net-zero emissions by 2050 and are undertaking a comprehensive set of actions available to investors, drawing on the Paris Aligned Investment Initiative's Net-Zero Investment Framework. These actions include setting objectives and targets, implementing a stewardship and engagement strategy, engaging with other stakeholders on this topic, and reporting on progress.

Partnership for Carbon Accounting Financials (PCAF)

[Link](#)

Start date: 2020

NN Group became a member of the PCAF in 2020. The PCAF is a collaboration between financial institutions to develop and implement a harmonised approach to measuring and disclosing GHG emissions associated with investments. Originally created by a group of Dutch financial institutions in 2015, today over 250 financial institutions are members of the PCAF. In 2023, NN participates in the PCAF NL working groups on mortgages and science-based targets.

NN Group joined the PCAF Insurance Associated Emissions working group to contribute to developing PCAF's first standard for measuring insurance associated emissions. PCAF Guidelines for commercial lines insurance and personal motor lines insurance were recently completed.

TCFD

[Link](#)

Start Date: 2017

NN Group has endorsed the final recommendations of the FSB Task Force on Climate-related Financial Disclosures (TCFD). A consistent and comparable disclosure framework helps insurers and investors to more effectively assess the financial implications of climate change. As such, NN Group will promote these financial reporting standards to its investee companies, and will take steps to further align its own reporting with the TCFD recommendations.

UNEP FI

[Link](#)

Start date: 2012

NN Group is a member of the UNEP Finance Initiative. FI is a partnership between UNEP and the global financial sector to mobilize private sector finance for sustainable development. UNEP FI supports global finance sector principles to catalyse integration of sustainability into financial market practice. The frameworks UNEP FI has established or co-created include:

- Principles for Sustainable Insurance (PSI) (2012)
- Principles for Responsible Investment (PRI) (2006)

UN Global Compact

[Link](#)

Start date: 2015

Our reporting level is currently Global Compact Active, and we are working towards Global Compact Advanced. NN Group's Annual Report and the GRI Index appendix include reporting on adherence to the 10 Global Compact Principles.

UN PRI

[Link](#)

Start date: 2022

Following NN Investment Partners' divestment, NN Group became a signatory to the United Nations Principles for Responsible Investment (UN PRI). This is an international network of investors working together to put its six Principles for Responsible Investment into practice. Its goal is to understand the implications of sustainability for investors and support signatories in incorporating these issues into their investment decision-making and ownership practices. In implementing the Principles, we contribute to the development of a more sustainable global financial system.

UN PSI

[Link](#)

Start date: 2012

NN Group is a signatory to the United Nations Principles for Sustainable Finance (UN PSI). This is an international network of investors working together to put its four Principles for Sustainable Insurance into practice. Sustainable insurance aims to reduce risk, develop innovative solutions, improve business performance, and contribute to environmental, social and economic sustainability.

Value Reporting Foundation

[Link](#)

Start Date: 2021

The Value Reporting Foundation offers a comprehensive suite of resources designed to help businesses and investors develop a shared understanding of enterprise value—how it is created, preserved and eroded. The International Integrated Reporting Council (IIRC) and the Sustainability Accounting Standards Board (SASB) merged into the Value Reporting Foundation in June 2021. The Value Reporting Foundation better enables organizations to use the Integrated Thinking Principles, Integrated Reporting Framework and SASB Standards.

World Economic Forum

[Link](#)

Start date: 2021

NN Group is a partner of the World Economic Forum. As a partner of the WEF, NN along with other companies lead the global finance industry towards the world's greatest challenges. We also engage in forums to shape the future, accessing networks and experts to ensure strategic decision-making on the most pressing world issues which are in line with Sustainable Development Goals (SDG) with well-defined material risks.

Sustainability statements

Global Investor Statement to Governments on Climate Change 2022

[Link](#)

Start date: 2022

NN Group is a signatory of the Global Investor Statement on Climate Change. The statement urges governments to implement policies consistent with a just transition limiting global temperature rise to 1.5°C via policies such as: medium and long-term climate strategies, transitioning energy away from fossil fuels, ending deforestation, bolstering climate finance, and strengthening disclosures.

Dutch Sustainable Growth Coalition

[Link](#)

Start Date: 2020

NN is a signatory to a statement asking the government to make sustainability a cornerstone of the Covid-19 recovery. This was initiated by the Dutch Sustainable Growth Coalition and was signed by a broad coalition of businesses in the Netherlands.

WBCSD Letter (Green Recovery)

[Link](#)

Start date: 2020

NN Group is a signatory to this letter. It is a global alliance of cross-party political decision makers, business and financial leaders, trade unions, NGOs, think tankers, stakeholders, to support and implement the establishment of Green Recovery Investment Packages acting as accelerators of the transition towards climate neutrality and healthy ecosystems. It is a commitment to working together, sharing knowledge, exchanging expertise and creating synergies to deliver the investment decisions we need.

It addresses Europe's preparation for the future, and design recovery plans, both at the local, national and at the EU level, enshrining the fight against climate change as the core of the economic strategy.

World Economic Forum Letter

[Link](#)

Start date: 2021

NN Group is a member of the World Economic Forum Alliance of CEO Climate Leaders. The Alliance of CEO Climate Leaders is a global community of Chief Executive Officers who continue to set the bar higher and catalyse action across all sectors and engage policymakers to help deliver the transition to a net-zero economy.

The Alliance was founded in 2014 to support an ambitious Paris Agreement and bold corporate climate action by setting ambitious targets, reducing our own emissions, and inspiring others to do the same.
