Investing our assets in a responsible way

**Responsible investing at the core of NN IP’s strategy**

- ESG integrated strategies
- Sustainable & Impact strategies
- Restriction criteria
- Engagement and voting
- Transparent reporting
- ESG integration

**ESG integration**

- NN IP introduced a strict definition of ESG integration in 2019
- All three (E, S and G) factors included in each individual investment analysis
- Demonstrated and documented in a consistent way

**Restriction: a measure of last resort**

- NN Group's norms-based RI criteria: a reflection of relevant laws, internationally recognised standards and our organisation’s values
- Number of restrictions by theme

**Score: A+**

**68% ESG-integrated strategies**

- NN IP is committed to further increasing the number of ESG-integrated strategies

1. In addition to the NN Group 2019 Integrated Annual Review, an NN IP 2019 Responsible Investing Report will be published in March 2020
2. Based on NN’s published Exclusion list. NN Group’s Internal Restricted List is broader (for example, it includes private companies, and broader restrictions for Proprietary Assets)
Using our influence to support the transition to a sustainable economy

### Investing in our communities

**Empowering people to improve their financial wellbeing**

NN Future Matters, our global community investment programme, focuses on three themes:

- Promoting financial empowerment
- Creating economic opportunities
- Alleviating financial distress

➢ Target: reach 100,000 young people by 2020

### NN Future Matters initiatives (2019)

- Social Innovation Relay: a global competition for secondary school students (13,253 in 11 countries) to develop an innovative business concept addressing a social need
- Scholarship programme providing 40 students from 10 countries the opportunity to complete a Master’s degree in the Netherlands

### Minimising our direct environmental footprint

- Effectively using our resources and seeking green alternatives
- Encouraging employees to use public transport and drive electric cars
- Compensating CO₂ footprint by purchasing carbon credits
- Screening suppliers on social and environmental aspects

Steps and initiatives being taken on climate change

Understanding the impact of climate change on our business

- Measure and disclose the carbon footprint of a large portion of our Proprietary Assets since 2017
- Report in line with TCFD recommendations in our Annual Report since 2017 financial year
- Develop in-house models for TCFD-aligned scenario analysis for investments
- Participate in UN PSI TCFD Insurer Pilot to develop scenario analysis tools for insurance portfolios

Climate change actions

- Divested from oil sands and controversial pipelines (2018) and thermal coal mining (2019)
- Committed to a phase out of thermal coal-exposed investments in NN Group’s proprietary portfolio to ‘close to zero’ by 2030; insurance underwriting to align its policy
- NN IP engagement on low-carbon transition with Oil & Gas and Utilities sectors; individually or through Climate Action 100+

Business opportunities (examples 2019)

- NN (L) Green Bond Short Duration, using the full CBI taxonomy on top of the Green Bond Principles (NN IP)
- Powerly, a web-based platform helping users make their houses more sustainable (Nationale-Nederlanden, NL)
- Sustainable pension option where companies can compensate the CO₂ emissions of their invested capital via a tree-planting scheme (BeFrank, NL)

International initiatives and commitments (2019)

- IIGCC: NN Group representative in board and participation in Paris Alignment Investment Initiative
- Signatory to the Commitment of the financial sector to the Dutch Climate Agreement
- NN IP signatory to the Statement on investors’ expectations of Oil & Gas companies
Contributing to the Sustainable Development Goals

Healthy and secure living

Sustainable planet

Inclusive economy
Strong corporate governance framework

NN Group has a two-tier board structure

**Supervisory Board**

responsible for supervising the management performed by the Executive Board and the general course of affairs of NN Group and its businesses, and assists the Executive Board with advice

**Executive Board**

entrusted with the management, strategy and operations of NN Group under the supervision of the Supervisory Board

**Management Board**

entrusted with the day-to-day management of NN Group and the overall strategic direction of the company

- The overall composition of the Supervisory Board and of the Executive Board and Management Board, taken as a whole, is balanced considering the members’ nationality, gender, age, education, experience and work background
