Creating long-term value for our stakeholders

Led by our purpose and ambition, guided by our values and brand promise, and driven by our strategic commitments, we are able to create long-term value for our company and our stakeholders.
Becoming a customer-centric, data-driven company

Evolving current skills while developing new capabilities and an entrepreneurial mindset to meet changing customer demands and to stay competitive and relevant in the future

End of value chain manufacturing
Low customer engagement
Product focus
Only sell what we manufacture
One product for all, technical pricing
Back-office / operations-centric
Legacy technology, limited digitalisation

Front of value chain (customer engagement, distribution)
Increased customer engagement, active in platform economy
Solutions rather than products
Manufacturing, but also selling third-party offering
Personalised solutions, customer-driven pricing
Data / customer-centric
Customer experiences where digital and tied-agent channels reinforce each other
## Our broader responsibility to stakeholders

Aiming for a net-zero carbon proprietary investment portfolio

Our long-term ambition

• Transition of proprietary investment portfolio to net-zero emissions by 2050, in line with 1.5°C target of the Paris Agreement
• Playing our part in helping the real economy to decarbonise serves as a guiding principle in our approach
• To ensure appropriate actions, asset-class specific approaches will be defined in a step-by-step manner
• Aim to increase allocation to 'green investments' that support the Paris goals

Building on existing climate change actions

• Extended carbon footprint analysis to cover 80% of total proprietary asset portfolio
• Developed in-house models for TCFD-aligned scenario analysis to gain insights in climate-related risks and opportunities
• Phase out of coal in proprietary investments to ‘close to zero’ by 2030
• Strong focus on sustainability in real estate portfolio leading to improved scores in GRESB assessment for fifth year in a row

Underlining (inter)national commitments & collaborations
