

Delta Lloyd appoints Chief Investment Officer

Delta Lloyd announces the appointment of **Jacco Maters** (1973) as Chief Investment Officer and Managing Director of Delta Lloyd Asset Management with effect from 1 October 2014. Jacco Maters currently serves as Group Head Equity and Group Head Derivatives of Allianz Investment Management. As such, he is responsible for Allianz's global equity and derivatives investment strategy. Jacco Maters also served as a member of the Supervisory Board of Allianz Investments for several years.

Jacco Maters has long-standing experience as an investor and manager in charge. One of his previous roles was that of Senior Vice President at Lombard Odier Darier Hentsch & Cie in Geneva, Switzerland, and Amsterdam, the Netherlands. He also held portfolio management positions at ABN AMRO Asset Management in Amsterdam.

About Delta Lloyd NV

Delta Lloyd has been a trusted partner for insurance, pensions, investing and banking since 1807. It is our goal to offer financial security, now and in the future. We deliver clear, reliable and contemporary products and services that meet our customers' needs and creates value for them, our shareholders and our employees. Our primary markets are the Netherlands and Belgium. In the Netherlands, we operate under the Delta Lloyd, OHRA and ABN AMRO Verzekeringen brands, while in Belgium we use the Delta Lloyd brand. We employ 5,135 permanent staff, of which 3,833 in the Netherlands, 1,115 in Belgium and 187 in Germany. In 2013, we achieved a premium income of € 4.7 billion and a net operational result of € 430 million. Our shareholders' funds amount to € 2.9 billion and we manage investments worth € 78 billion. Delta Lloyd is listed on Euronext Amsterdam and Brussels, and included in the AEX- and Bel-20 indices.
