Aviva plans to sell remaining stake in Delta Lloyd

- **Aviva intends to sell its remaining 34 million Delta Lloyd ordinary shares via accelerated book building**

Delta Lloyd NV (“Delta Lloyd”) hereby announces that its shareholder, Aviva plc (“Aviva”), announced today that it intends to sell its remaining stake in Delta Lloyd. This decision is in line with the strategy of Aviva, which it had announced at the time of Delta Lloyd’s initial public offering in November 2009.

The disposal of these shares will take place through a private placement to qualified institutional investors (“the Offering”). The Offering is expected to comprise approximately 34 million Delta Lloyd ordinary shares, subject to investor demand, equivalent to 19.4% of Delta Lloyd’s issued ordinary share capital (excluding treasury shares) and 18.2 % of Delta Lloyd’s voting rights. The offer price will be determined after an accelerated book-building process which starts today. Aviva currently owns 34,288,795 of the 176,770,871 ordinary shares of Delta Lloyd.

Details of the agreements between Delta Lloyd Group and Aviva on information, reporting requirements and orderly market arrangements are set out in a Strategic Investment Agreement, which is posted on www.deltalloydgroep.com.
