

NN Group is a financial services company, active in 18 countries with a strong presence in a number of European countries and Japan. The strong foundation of our purpose, brand, values and ambition, combined with our focus on our strategic priorities, enables us to create long-term value for our company and our stakeholders.

Who we are

NN Group includes Nationale-Nederlanden, NN, NN Investment Partners, ABN AMRO Insurance, Movir, AZL, BeFrank and OHRA.

What we do

Our purpose is to help people secure their financial futures. We offer retirement services, and insurance, investments and banking products.

Our strategy

To create long-term value for our company and stakeholders we have four strategic priorities:

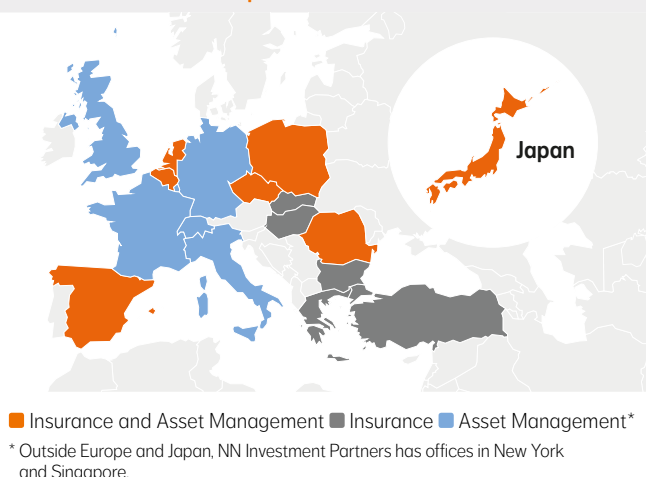

1. Disciplined capital allocation
2. Innovate our business and industry
3. Agile and cost efficient operating model
4. Value added products and services.

Our values

How we are structured

With about 15,000 employees, we aim to deliver high-quality products and services to retail, SME, large corporate and institutional customers.

Our business activities are structured in reporting segments. Their contribution to the NN Group 2Q 2019 operating result is depicted in the graph (in EUR mln).

* Japan closed block VA, the reinsurance business, the holding results, and other results.

Responsible investing

In our long-term investment decisions we take environmental, social and governance (ESG) into consideration.

Responsible investing is based on the following four pillars:

- 1 Active ownership towards investee companies
- 2 Integration of ESG factors into our investment processes
- 3 Application of restrictions based on our policy framework
- 4 Sustainable and impact investing strategies

Delivering on our strategy

2Q19

Non-life

NN Group is strengthening its Non-life activities in the Netherlands with the announcement to acquire VIVAT's Non-life business.

NN North Sea Jazz

The NN North Sea Jazz Festival took place in Rotterdam from 12 to 14 July, the second edition with NN as the title sponsor.

New products

To meet the requirements of new tax rules, NN Life Japan is adjusting its product portfolio and was the first in the market to launch renewed corporate-owned life insurance products (COLI).

NN Coal policy

In May we implemented a coal policy. By placing investment restrictions on thermal coal mining companies and intensifying our dialogue with power generation companies, we aim to accelerate the transition to a low-carbon economy.

NN Investment Partners

NN IP takes an active approach to Responsible Investing. In April 2019, it launched a new short-duration green bond fund which contributes to the United Nations' Sustainable Development Goals (SDGs).
