SUMITOMO LIFE

Our priorities going forward ...

1. Deliver on the Delta Lloyd transaction

- Clear roadmap to deliver on the financial and non-financial benefits within the expected timeline
- Strengthened competitive positions delivering sustainable cash flow

2. Improve performance further

- Improve profitability of underperforming units
- Capture growth opportunities in a disciplined manner

3. Accelerate the transformation of the business model

- Create the customer experience of tomorrow
- Use technology to make the company more agile and efficient

4. Continue to allocate capital rationally

- Generate cash flow in all business segments and upstream to holding
- Excess capital to be returned to shareholders unless it can be used for value-creating opportunities

... to achieve our medium-term targets

NN Group financial targets

- EUR ~400m cost reduction¹ by 2020, reflecting cost synergies from Delta Lloyd acquisition and existing standalone cost reduction plans
- Annual earnings growth of 5-7% on average in the medium term²
- Over time, generate free cash available to shareholders in a range around the net operating result of the ongoing business³

-
1. In total for the following units: Netherlands Life, Netherlands Non-life, Belgium, Asset Management, Banking business and Corporate/Holding entities
 2. Annual growth rate of operating result before tax of the ongoing business on average in the medium term; based on 2017 operating result
 3. Net operating result of the ongoing business, adjusted to reflect the deduction of the accrued coupon on undated subordinated notes classified in equity; assuming normal markets, no material regulatory changes and no material special items other than restructuring charges

Disciplined capital framework

Operating units

- Manage operating units to commercial capital levels
- Surplus capital to be returned to holding subject to regulatory restrictions

Cash capital at holding

- Hold cash capital to cover stress events and to fund holding costs
- Target cash capital position within a range of EUR 0.5-1.5bn
- Cash capital requirement to reduce on the merger of the legal entities²

Financial leverage

- Maintain financial leverage and fixed-cost cover ratios consistent with a Single 'A' financial strength rating

NN Life Solvency II ratio 239%

DL Life Solvency II ratio 190%

Cash capital at holding EUR 1.8bn

LTM fixed charge coverage ratio 14.1x

Leverage ratio 27.2%

Gross financial leverage¹ EUR 6.1bn

NN Group Solvency II ratio 226%

All figures at 2Q18 end of period

2. Depending on capitalisation of legal entities

Committed to our dividend policy

- Interim dividend per share (EUR)
- Final dividend per share (EUR)
- Total dividend per share (EUR)

Payout ratio	41%	52%	45%
--------------	------------	------------	------------

- Priority is a sustainable ordinary dividend per share
- NN Group intends to pay an ordinary dividend in line with its medium term financial performance and envisages an ordinary dividend pay-out ratio of 40-50% of the net operating result from ongoing business
- Double-digit increase in full-year dividend per share anticipated for 2018 versus 2017, reflecting first full year of incremental free cash flows from the Delta Lloyd transaction
- Excess capital returned to shareholders unless it can be used for value creating opportunities
- Interim dividend at 40% of prior year's full-year dividend

Our capital allocation decisions focus on creating value

Invest to realise our ambitions and strategy

- Innovation
- Agility
- Value discipline

Innovate to transform the business model and deliver excellent customer experience

Invest to strengthen current position of our business units

- Hurdle rates
- Market and business position
- Readiness

Focus on driving efficiency, writing profitable new business and disciplined capital allocation

Invest in value-creating opportunities

- Best owner concept
- Risk versus return
- Readiness and deliverability

Deploy capital based on clear principles around return, risk and understanding of the opportunity; otherwise return capital to shareholders in most efficient form

NN Group's investment proposition

Strong business positions and balance sheet
