

## Additional press release Delta Lloyd

Further to its press release published yesterday in which Delta Lloyd announced that it has requested a court ruling on measures by the Dutch Central Bank (DNB), for the sake of completeness Delta Lloyd would like to make clear that the DNB investigation was focused on sound and ethical operational management as contained in Sections 3:10 and 3:17 Dutch Financial Supervision Act (Wft).

DNB has in addition to forementioned investigation also reassessed the 'suitability' of Delta Lloyd's CFO. According to DNB Mr. Roozen was insufficiently aware in terms of the competencies '*helicopter view*' & judgment, independence and accountability (a total of 3 of 16 competencies).

Furthermore, Delta Lloyd has made clear in its media statements that the transactions which were investigated were based on "public information." For the sake of completeness, Delta Lloyd wishes to make clear that Delta Lloyd and DNB have a different opinion regarding the question if this was public information, or information of a confidential nature.
